16th National Outdoor Education Conference

January 10-13, 2010

Notre Dame University
Fremantle, WA

Outdoor Education Australia in association with Outdoors WA welcomes all prospective delegates, sponsors and presenters to the 16th National Outdoor Education Conference to be held at Notre Dame University in Fremantle, Western Australia from January 10 to 13, 2010.

The Conference provides an excellent incentive to bring friends, partners and families to Western Australia for a relaxing summer holiday and an outstanding professional development experience. Perth experiences mid-summer conditions in January, making for hot days and glorious summer nights!

Outdoor Educators are invited to come early or stay on after the conference and enjoy the Western Australian summer – beaches, wineries, BBQ's, diving... Local outdoor educators and conference organizers will be on stand by to assist your holiday aspirations.

The conference itself will be a relaxed event featuring international, national and local presentations, workshops and associated activities.

Register your interest to receive the Conference Program via email at:
